OFFICE NOTE.

SUBJECT. Publication (periodically) in the Mysore Gazette, of abstracts of Financial Statements Receipts and Expenditure.

LAST REFERENCE Letter No. 2765 dated 7th November 1900 from the Comptroller, Mysore Govt.

In his note dated 17th January 1900, to the Under Secretary, the Offg. Dewan remarked as follows:—

"Govt of India, Madras and Calcutta, publish abstracts of Financial Statements - Receipts and Expenditure - periodically (+ quarterly, I think) in the Gazette. Are similar Statements published in the Mysore Gazette? During Mr. Hudson's time such Financial Statements

Statements used to be published. Since when were they discontinued and why?

2. Thereupon the Comptroller was asked to report if such Statements were now published in the Gazette and if not, since when and why they were discontinued.

3. In reply, the Comptroller now states that the last Statement published was that for the quarter ending 31st December 1880 and that no such Statement was published ever since. He further states that there is nothing in the records of his office to show why it was discontinued; but that the publication of the Assam Speech for 1880/88, which contained complete information for all the year purposes, might have been thought by Govt sufficient for all purposes and the publication of the

x Vide docket No 2322 dated 15th Nov 1889 Appx 19

the usual statement for the last quarter of that year, not considered necessary. He thinks that for the same reason, the statements for the subsequent periods may have also been discontinued.

The Comptroller further states as follows:—

"3. In British India two statements are published in the Official Gazette monthly, one shewing the Receipts and Payments at the Treasuries and another shewing the monthly transactions brought to account, including transfers and departmental transactions.

4. For the past few months the first statement Preliminary Statement of Receipts and Payments at the Treasuries Provincial

As regards the secondary in British India Preliminary monthly accounts, the form adopted in British India is given in page 822 of Gazette of India dated 21st July 1900, Part II, and exhibits the monthly transactions only under Major Heads as regards receipts, and the expenditure is shewn only under a broad classification of Civil and other Departments etc, while in this Province a complete copy of the consolidated Abstract monthly accounts the transactions Major and Minor Heads

It is observed that the Governments of India and Madras publish periodically (i,e. probably quarterly) abstracts of Financial statements - Receipts and Expenditure - in their respective Gazettes, and it is believed that when the late Mr. Hudson was the Comptroller in Mysore, similar statements were published in this Province also. Has the honor to enquire if such statements are now published in the Mysore Gazette, and if not, since when and why they were discontinued.

From

To

THE SECRETARY TO THE GOVT. OF MYSORE,

General and Revenue DEPT.

SIR,

With reference to your docket No.2322/Mis.509 dated 16th. August 1900 enquiring since when and why the Quarterly Abstracts of Receipts and Payments which were being published in the Mysore Gazette during the time of Mr. Hudson was discontinued, I have the honor to state that the last statement published was that for the Quarter ending 31st.December 1880 (vide page 46 of part 2 of the Mysore Gazette for the week ending 30th. April 1881) and that no such statement was published ever since.

2. There is nothing in the Records of this Office to shew why it was discontinued, but it is presumed that the publication of Dasara speech for 1880-1881 which contained complete information for the year was thought by Government sufficient for all purposes, and that therefore the usual statement for the last Quarter of that Year was not notified in the Gazette. For the same reason, the statements for the subsequeht periods may have also been discontinued.

3. In British India two statements are published in the Official Gazette monthly. One shewing the Receipts and Payments at the Treasuries

and another shewing the monthly transactions brought to account including transfers and Departmental transactions.

4. For the past few months the first statement called Preliminary Statement of Receipts and Payments at the Treasuries of this Province is being prepared in the form adopted in British India and submitted to Government monthly which if Government directs, will be published in the Official Gazette. As regards the second called in British India Preliminary monthly Accounts the form adopted in British India is given in page...922.....of Gazette of India dated... 21st Saturday Part II. and exhibits the monthly transactions only under Major Heads as regards receipts and the Expenditure is shewn only under a broad classification of Civil and other Departments &c. while in this Province a complete copy of the consolidated Abstract of the monthly accounts shewing the transactions under all Major and Minor Heads of Receipts and Expenditure is submitted to Government.

5. If desired a copy of this Abstract will be sent to the Gazette Office for publication and the one now sent to Government discontinued.

I have the honor to be,

Sir,

Your most obedient servant.
